18 The *Motion for summary judgment* asks the court to decide my lawsuit without a trial because
19 the evidence I have submitted shows that there is no real dispute and since I have furnished the
20 names of the many witness to each major minor criminal acts and have letters from the
21 Honorable Grand Masonic Lodge in San Francisco, Ca., threatening me to stop attempting to
22 bring charges or else. Or the recorded messages as evidence for other crimes and attempts to
23 blackmail or stop me from bringing these charges against the Masons, Mexican Masons and
24 which the Police Officer Elden Zercher, a Mason arranged and /or his father arranged for
25 Santa Clara Police Department officers to help interceded with his Father, Chris Zercher, a
26 Past Master of the Lodge whom I was filing charges against. In their efforts to scare me into
27 submission and verbally Raped me, Neal G. Benson on the day I came to the Santa Clara Police
28 Departments Sgt. Desk to file my charges 3-28-93. As I described and named the persons who
took part in or were witnesses and were waiting for me when I walked in and ask for a Sgt. and
a case number, and as soon as Matron Doreen Summerkorn badge #17 spoke and introduced
me to Chris Zercher (a Mason not a cop) and he spoke the criminal acts were committed along
with 5 or 6 police officers who were witness sitting at their desks laughing.

I have presented finally the Short and concise list of criminal acts needed and I have charged
these persons named within and in both the Case C03 00119 RMW and Case C07 03476 HRL
which includes:
